

With Canada Post on Strike, I am unable to send the year end payment reminder letters for taxes. I emailed to the ones that had an email address on their account. If you are unsure if your taxes are paid or want to sign up for e-notice, please contact the office. Below is the letter that was sent out.

Please be reminded that 2024 property taxes are due by December 31, 2024.

Payments can be made through your online banking but please be aware that it takes up to 2 business days to be received at the office, keep that in mind when making your payment. Other payment methods accepted are cheque or cash delivered to the office or e-transfer to rm.217@sasktel.net

Please note, payments, electronic or otherwise, have to be received in the office no later than December 31st.

Please consider dropping off your postdated cheque early or send via Purolator as we don't know how much longer Canada Post will be on strike.

Our Christmas office hours are as follows: December 24th 8:30a.m. till noon, closed December 25-29, regular hours resume December 30th and closed January 1st and 2nd.

Please contact the office if you have any questions!
